Upper School Transition Week is a three-day, half-day program for rising and incoming 9th grade SPSP students. During this week, students will learn skills and strategies necessary for success in ninth grade. Throughout these three mornings, students will have the opportunity to meet and bond with their class members, as well as meet many of our 9th grade teachers. While this is not mandatory, it is highly recommended for all incoming SPSP 9th graders.

To register, go to Summer on our website. Warm Up Week and Transition Week can be found under the Academic offerings.
