

## STUDENT ACCOUNTS INFORMATION

### Gator Café / Swamp

The Gator Café and Swamp operate on a debit system. You can preload funds onto your daughter's account through our website.

Simply click **Parents** under the **Community Login** button on the home page. Then you will select **Student Accounts/Grades**. Here you will be prompted to log in using the username assigned to you and the password that you establish yourself. An email with login information will be sent this summer.

You can add funds with an echeck or credit card through the site or you can always mail in or drop off a check. Both locations also take cash.

### Ward Center Cafeteria

The Ward Center's food service is provided by Sage and is also on a prepaid system.

Simply click **Parents** under the **Community Login** button on the home page. Then you will click **Ward Center Dining**. You will first need to establish an account by clicking **Student Dining Account** and then **My Kids Spending Registration**. **The registration will not be open until mid-August.**

The Ward Center Cafeteria also takes cash.

It is recommended that you put a moderate amount on both the Gator Café/Swamp and Sage accounts to start the year, so that you can see where your daughter prefers to eat.
