# LETTER FROM THE EDITORS-IN-CHIEF

OCTOBER 31, 2021 | CAELEIGH STAMPER | 37 COMMENTS

Dear Readers,

The editors and staff of *The Page & The Epistle* are delighted to present our first publication of the 2021-2022 school year! We, Caeleigh Stamper '22 and Andrea Weyhing '22, the Editors-in-Chief this year, are honored to take on our positions and thrilled to welcome Theodore Rodriguez '23 as assistant Editor-in-Chief. We are also so excited to work with our staff this year, which has grown exponentially and shows a great deal of talent.

Earlier this month, we were asked to give a presentation to students participating in the Bridges afterschool program, which connects young students from Baltimore with nearby independent schools. This opportunity provided us with the chance to reflect on what journalism truly is: providing people with the truth. The newspaper, consisting of devoted students from the St. Paul's Schools, is dedicated to spreading truth and understanding across the school community. We strive for journalistic integrity, reporting truthfully on both local events within the St. Paul's community and global occurrences around the world. Through eloquently written articles – whether on the topic of athletics, school events, or politics – we hope to present our community with the necessary information to understand our everchanging world.

We hope that the St. Paul's Schools' community appreciates this publication and finds all of the articles insightful. There is a comment section underneath each article so please use it as we always encourage feedback. We also accept letters to the editors, which can be submitted through our publication website or emailed to us personally. We are grateful and excited for the year to come and hope that you are too. We hope you get a moment to sit down with a hot beverage and enjoy this year's October issue!

Sincerely,

Caeleigh Stamper '22 and Andrea Weyhing '22

I've been surfing online more than three hours nowadays, but I never found any attention-grabbing article like yours.

It is lovely price sufficient for me. In my opinion, if all website owners and bloggers made just right content as you probably did, the web can be a lot more useful than ever before.

Very good blog! Do you have any helpful hints for aspiring writers? I'm hoping to start my own site soon but I'm a little lost on everything. Would you propose starting with a free platform like WordPress or go for a paid option? There are so many choices out there that I'm completely confused ..

Any tips? Thank you!

Hey I know this is off topic but I was wondering if you knew of any widgets I could add to my blog that automatically tweet my

newest twitter updates. I've been looking for a plug-in like this

for quite some time and was hoping maybe you would have some experience with something like this.

Please let me know if you run into anything. I truly enjoy

reading your blog and I look forward to your new updates.
