Donor Impact Report

St. Paul's is grateful for the nearly 2,000 parents, grandparents, students, faculty and staff, alumni, parents of graduates, friends, and organizations who generously supported St. Paul's during the 2019-20 school year. Your gifts, no matter the size, provided vital resources for the school's facilities and programs, and supported our students, faculty, and staff through one of the most challenging years in the school's history. This report recognizes the leadership and commitment of our donors and celebrates the uncommonly strong bonds for which the St. Paul's community is known:

- *\$6.63M for all purposes*
- *\$1.5M for the St. Paul's Fund*
- *\$960,000 for Bridges*
- *19 gifts of \$50,000 and above*

This report recognizes donors of all levels and for all purposes to St. Paul's from July 1, 2019, through June 30, 2020. Gifts received after June 30 will appear in the 2020-21 Donor Report.

This report is also available online at stpaulsmd.org/spimpactreport

A MESSAGE FROM THE ST. PAUL'S SCHOOLS BOARD CHAIR

As I reflect on the 2019–2020 school year, I'm so proud to be part of this amazing community. As a 1988 graduate and parent of two current students, I know firsthand the impact St. Paul's has on students, helping each boy create his own version of success while emphasizing the deep rewards that come from being part of a community—or as they say in the boys' middle school, "part of something bigger than yourself."

Even as we faced a unique set of challenges and opportunities this past year, our loyal supporters enabled us to exceed our St. Paul's Fund goal of \$1.5 million, supporting the school's regular operations as well as new needs related to Covid-19. The generosity of our community not only sustained excellence in the faculty and student body but it supported facilities upgrades, professional development for distance learning, a one-to-one computer program, and many more items in the long list of investments we made to reopen our campus. We will come through this time even stronger because of the character and commitment of our community.

Thank you for your generous gifts to the 2019–2020 St. Paul's Fund. St. Paul's would not be the remarkable school it is without your support and your belief in the mission.

Sincerely,

A handwritten signature in black ink, appearing to read "Joe Sutton '88".

Joe Sutton '88, Board Chair, The St. Paul's Schools

"I want to give back to St. Paul's because it is a fantastic community and school and I want to show people that any person, no matter their religion, race, ethnicity, or gender, is accepted here at St. Paul's."

AUSTIN G. '24

"Our family gives back to St. Paul's because it has given so much to us. The school has been a blessing in our lives. We believe in the school's mission to nurture and celebrate each child's unique gifts, a goal brought to fruition every day."

NICOLE AND KEIFFER MITCHELL JR., P'21
(PICTURED WITH THEIR SON, JACK '21)

"As graduates of the class of 1989, we have been fortunate parents to be able to have our children attend SP and SPSG, and we feel a responsibility to offer that opportunity to future students."

LIFETIME GIVING

The following list recognizes donors who have given more than \$250,000 cumulatively to St. Paul's during their lifetime. Without these generous individuals, St. Paul's would not be able to offer the level of education it provides today. We thank them for their extraordinary investment in our students.

St. Paul's honors loyal donors who consistently support the school year after year. These supporters have made gifts to St. Paul's for 10+, 25+ and 50+ or more consecutive years. All gifts, no matter the size, make a difference in our community.

I give to St. Paul's in honor of my students, who give of themselves freely in every class and production—on stage and off. The theatre family at St. Paul's inspires me with their passion, talent, creativity, and risk taking. I am grateful to work in a community that values and supports the arts and gives opportunities for students to thrive."
